

Le Sirenuse

Champagne Bar

Beverage Philosophy

It is our pleasure to welcome you to the Champagne Bar; the historic location of The Surf Club's iconic home marked by legends and laughter since 1930. In this very room, some of the 20th century's most talked-about parties were held including black-tie boxing nights and lavish themed galas; a time when nothing slowed the pursuit of merriment.

Today, the Champagne Bar shares the timeless values of two iconic institutions, The Surf Club and Le Sirenuse resort from Italy's Amalfi Coast. Our beverage program aims to follow the same path of this exceptional origin. We believe that Champagne and cocktails are meant to bring people together, just as this location has done for more than 80 years.

Refined and simple are the main characteristics of our menu, and authentic flavors are non-negotiable. We freshly squeeze our juices and create syrups, bitters and tinctures by hand. Our Classic Cocktails are masterful expressions of traditions while our House Cocktails offer imaginative creations that are continuously evolving. You will also find an extensive collection of vintage labels and rare producers to explore.

In the spirit of our glittering past, the Champagne Bar celebrates imagination and possibilities. We hope your time with us will be one of extraordinary experiences and memories.

Cheers,

The Champagne Bar Team

The Classics \$19

Using classic cocktails as our muse our team has cultivated unique renditions for you to experience.

Negroni

Our negroni is a remarkable blend of three different negroni's all crafted with different gins, vermouths, sherry's, and bitters's. Each negroni becomes a distinct and unique part of the cocktail, and like the best cognacs or whiskeys it is this blend that produces what we consider to be the "Perfect Negroni".

Gin, Vermouth, Sherry, Bitter

Tommy's Margarita

This twist on a classic Margarita first created in the early 90's by Julio Bermejo for Tommy's Mexican Restaurant in San Francisco uses agave instead of orange liquor to allow the natural flavors to flourish and indulge your senses.

Tequila, Lime, Agave

Hemingway Daiquiri

*"I drink to make other people more interesting" –Ernest Hemingway
Named after Ernest Hemingway in Cuba this twist on a classic daiquiri is made unique by substituting sugar with maraschino liquor and adding grapefruit juice for a pleasant and refreshing cocktail.*

Rum, Lime, Grapefruit, Maraschino Liquor

Seasonal Rum Punch

For this punch we use the freshest ingredients and carefully selecting the best Mother Nature has to offer while respecting seasonality. With his cocktail we work carefully with our kitchen team to ensure not even one strawberry goes to waist, as sustainability is a passion we all share.

Banks Rum, Spices, Herbs, Citrus, Sugars

Boulevardier

A powerful and bittersweet twist on a traditional negroni with bourbon, rye or scotch taking the place of gin making it the universal "bartender's choice". This is delightful cocktail can be enjoyed as an aperitivo or digestivo.

Bourbon, Campari, Sweet Vermouth
